MY SEXY SECRET!

"POPCORN SURPRISE!"

23112

My boyfriend Paul and I are quite horny. Not only do we fuck on a daily basis, but we actually make it a priority to come up with interesting ways to get each other off in public. Last week when Paul got home from work, I surprised him with two movie tickets to one of his favorite kung fu movies. From the look on my face, Paul knew I had more up my sleeve. "Okay Barbara, what do you really have planned?" he asked, as I pulled out an empty tub of popcorn from behind my back.

When I tipped the tub in his direction, he saw that I had cut a hole out of the bottom. He knew exactly what came next. Eagerly, we rushed to the movies and filled the tub with popcorn. As we sat watching the action, Paul stuck his cock through the hole while I stroked him hard with my buttery fingers. The sound of us rustling the popcorn around had me turned on because we both knew exactly what was happening.

Despite the fact that the entire theater was full, nobody knew what was really going on. "Stroke me faster," Paul begged as his excitement began to reach an all time high. I did what I was told and even managed to pull up both his balls in the process. Soon, I noticed Paul's face had begun to change. He was about to pop. At the perfect moment, I squeezed the head of his cock until his salty jizz coated the tasty corn. I took the tub from Paul's lap and ate up every soggy kernel, making it a movie we'll never forget! **"Buttery Barbara" - New Hampshire ♣**

INTERVIEWED BY GINGER KELLY

Born a military brat of Puerto Rican, German and Norwegian decent, this voluptuous beauty from the outskirts of Texas has created such a remarkable impact on the adult industry since joining its ranks back in 2006. She, along with an ass that needs no introduction, has almost singlehandedly broken down the physical barriers and stereotypical views of what a porn star ought to look like. Together they have opened up the world to a whole new breed of hometown hotties whose sheer popularity is based upon their natural born curves and uncanny ability to melt the screen with more sex appeal than should be allowed one person. In this candid interview Alexis is opening up like never before, giving us a unique glimpse inside of her

private world by revealing juicy details about her life and the things we can do to turn her on. Perhaps the word glimpse is far too subdued for what lies inside. A smothering would be a more appropriate choice and will prove once and for all that everything is bigger and brighter deep in the heart of Texas.

Were you very sexually active before getting into the adult industry?

Yes and no. I've always been very comfortable with my sexuality and intrigued to learn more about sex and technique. I experienced an abundance of sex with my boyfriends, although I only a few partners before porn. It was nothing too crazy. I've always liked girls as well, although the small town in Texas where I lived wasn't too fond of lesbian relationships.

Did your fabulous assets make you a popular girl in school?

At first I used to get made fun of by people. They'd say, "We knew it was you walking in front of us without ever seeing your face." The guys would always hit my ass to make it bounce and wiggle. I later grew into it and my ass was accepted.

When you first entered into the adult industry were there people who told you that you might not be successful due to your unconventional shape?

At first they did. I definitely broke the stereotypical view of what a porn star is supposed to look like. They weren't sure how well I would do because of my body type. Most of the porn girls at the time were thin with big fake boobs. I guess my natural curves and

voluptuous shape worked out just fine.

What is the most requested thing people want to do with your ass?

Funny enough, they just want to touch it. My fans come up to my booth when I'm signing and are in disbelief. They want to see for themselves that my ass is actually real, like I have a prosthetic stunt ass in my scenes or something. There haven't been too many raspberry or licking requests.... (laughing).

What is your ultimate sexual fantasy?

This is a harder question to answer because I get to live out my sexual fantasies on a daily basis. One day I get to play the role of a sexy college student, or a nurse, or a futuristic sex babe. You name it and I've most likely played it. In my personal life, however, I like to be

more romantic, soft and sensual. I truly have the best of both worlds, don't I?

Where's the wildest place you've ever had sex off camera?

After watching a comedy show, my date and I pulled over on the side of the road on Laurel Canyon Blvd. and totally went at it. It was awesome!

Do you prepare for your scenes? If so, how?

I don't really prepare. I show up and rely on the chemistry. It's actually really exciting for me to show up and be surprised by the situation that I'm in front of. I like to have some communication with my partner beforehand just to get a better picture of who I'm dealing with. It adds to the excitement.

Who would you love to fuck in porn that you haven't fucked yet?

Jesse Jane. I'd absolutely love to work with her. She's

adorable, is an incredible performer and is so sexy to look at. I'll begin and end with her. Yeah, I want you Jesse Jane.

Describe the type of woman that turns you on.

I like natural, sexy women who take pride in their appearance. They need to have good hygiene and smell sweet too. I don't have a particular look that I'm drawn to because I think everybody is unique and can be sexy in their own way. The attraction doesn't always have to be purely physical either, a great personality is very important to me as well. Blondes, brunettes... bring 'em on!

Which porn actress makes you the wettest and fucks you the best?

I did a really hot scene with Monique Alexander, Sunny Leone, and Alyssa Reese for Sunny's website. I had never worked with Monique before and she was pretty damn hot. I liked her, but my chem-

istry with Sunny was out of this world. The first time I worked with Sunny was a month before and the sex was so good between us that she booked me for this particular shoot. I made her squirt so hard with my fingers. She had never squirted before in her life, so it was very cool experience for the both of us. She's so curvy and soft. I absolutely loved kissing Sunny and playing with her big boobs.

Describe the type of man that turns you on.

I love a man with confidence. I don't like cockiness or arrogance. Insecurities turn me off. I like strong, dominant features and a nice cock.

Which porn guys fuck you the best and why?

I love working with Mr. Pete, although my opinion on him is biased (laughing). I also really love working with James Deen. He's a very passionate performer and is very intuitive when it comes

to a girl's needs. His natural instinct for pleasing women is remarkable. We've done amazing sex scenes together.

What is the kinkiest thing that has ever been done to you?

I once did a bondage type of photo shoot that was extremely fetishy. They had me in the middle of park, tied to a tree with cords and rope. At first it was really weird because I couldn't understand the fetish or how people could find this sort of display to be sexy. After I saw the images I had a whole new understanding and appreciation for it. It looked very artistic and hot. I was more than happy with the results.

Do you prefer fingers or toys when masturbating? What do you think about?

I prefer fingers over toys because I am more of a clitoral stimulation kind of girl. I don't really enjoy the feeling of a dildo inside of me

SHOOTING STARS ALEXIS TEXAS

and would rather have the real thing. What I choose to think about depends on the moment I'm in or what's going on around me. Sometimes I go back to certain scenes that turned me on or maybe I saw a girl walking down the street earlier that day that looked really hot. My fantasy always changes.

Do you plan on directing in the future?

I do plan on directing in the future. Actually, I just started my own production company called Alexis Texas Entertainment, and will be releasing thru my website, AlexisTexasAss.com. I've done a couple of shoots so far and have been very happy with the results. My stuff is sharp and sexy with a men's magazine type of feel to it. All of that is mixed

with a very hardcore edge. It's more visual then scripted and is portrayed through stylized vignettes. It's going to be awesome and I hope people will enjoy it.

Which do you prefer better vaginal or anal sex? Why?

I prefer vaginal sex because I've been doing that for much longer and have more experience with it. Anal sex is newer to me. Each time I do it, however, I get more accustomed to liking it. My body feels more comfortable and relaxed. It's something that I am teaching my body how to do. When I'm in the moment, I really get into it and it's really sexy. My orgasms from anal sex are phenomenal!

Do you watch porn in your personal life? If so, what type turns you on?

No, I don't watch porn anymore because I know everybody and it's kind of weird.

At first I used to watch my own scenes, but now I don't have the time to do that. I'd rather perform in sex scenes instead of watch them.

What turns you off? Seriously, game over!

Bad breath, cigarette smoke and bad hygiene are total turn offs. I also can't stand people who are derogatory towards women. The mental attitude of women being bitches is awful and is something that really upsets me.

What makes you happy?

Blueberry muffins! I know it's silly, but it's true. You see, I'm smiling. That's proof.

What do you enjoy doing in your spare time?

I love to sleep. I also love to go out and play a good game of basketball, which is something I haven't been able to do in a long time because I've been too busy. Going to comedy shows is also a lot of fun for me.

Other than that, I enjoy being at home and playing with my puppy. I just bought a new house so I want to enjoy my time in it and be a bit of a homebody for a while.

Would you consider yourself to be a good fuck? If yes, how can you be so sure?

Oh yes, because the boys and girls ALWAYS come back for more!

What is your favorite and least favorite sexual position?

I love to have sex in the cowgirl position because I have more control over my body and can make myself orgasm really fast. My least favorite position is the exact opposite. Reverse cowgirl is designed for the camera and doesn't really feel that great. It makes my legs sore.

What is the biggest

misconception that you believe people have about you?

Perhaps it has changed now, but I have been told in the past that some people used to think I was an intimidating person and hard to approach. In actuality, I am a very friendly girl. As I've gotten older, I've tried to become aware of that perception and change it. People also believe that since I'm an adult actress that I'll fuck anybody that walks. This simply isn't the case. There is no question about it, I love having sex although I carefully choose the people I have sex with.

Tell me something about yourself that may shock your fans.

I can make really bomb fried chicken! I am a pretty good cook and love to do it when I have the time. I just hate cleaning up afterwards. Doing dishes sucks.

What is the strangest item given to you by

a fan?

I once had a fan give me some dirt from my hometown. He told me to always remember my roots. I thought it was a really sweet gesture. The thought of this guy carrying around a pill bottle full of dirt from Texas to Las Vegas was so flattering. I've also had people show me pictures of my hometown. It's all nice. I love my fans and always enjoy what they have to say and bring me.

What is the nicest or most memorable item given to you by a fan?

I was once given this really beautiful keychain with a small Texas license plate that read Alexis. It also had a Gemini on it, which is my zodiac sign. That particular gift was so sweet because it was planned out and thoughtful. I really liked that one.

Do you have sexual boundaries? If so, what are they?

I don't really enjoy rough

sex. It turns me off. If it doesn't feel sexy then I can't get into it. If someone hurts me then I want to hurt them back. Other than that, I'm open to trying out anything once. I enjoy a much milder and more playful version of harder acts. Light spanking or light hair pulling is fine, so long as it is with the right person. The more I'm in the business the more I'm gradually starting to enjoy and appreciate a wider range of sexual acts. Oh, slapping me on my face is a huge no-no and a major turn off. To each his own, however. Personally speaking, being rough just isn't my thing.

Since you are now producing your own scenes for Alexis Texas Entertainment, who would be cast in the perfect orgy?

Yes, I love this question and will have no problems answering it. Here it goes; Mr. Pete, James Deen, Michael Stefano, me, Kristina Rose, Jenna Haze, Gianna Michaels, and

Kagney Linn Karter. Kagney is my flavor of the month and is my latest girl crush because she is so damn hot! Wow, is that an unbelievable cast or what?

How many cocks would you ideally like to handle at once?

I prefer having one cock at a time because I am a pleaser. If there is too much going on then I'm not able to fully enjoy the person I'm with or the feelings that I'm experiencing. I've done a few boy/boy/girl scenes and I couldn't fully enjoy getting fucked while I was sucking a dick. There was just too much going on around me. I love my sexual encounters to be one on one. In this situation I can give my partner all of me and they can give me all of them. And that's the way I like it!

SOPHIE, SANDRA & SUNNY

When a woman tells her man that she's off to a book club meeting with the girls and not to wait up, he barely looks away from the television to acknowledge her departure. But if he had any real idea what goes on during those gal-only gaggles he might think twice about letting her go at all—or, at the very least, go right along with her to watch. Savvy labe-lovin' ladies in the know long ago learned that claiming "book club" frees them up for an entire evening and gives them carte blanche to bump, grind, lick, stick and otherwise satisfy their inner lesbo yearning for attention. A trio of clever cuties, Sophie, Sandra and Sunny have been meeting under the guise of discussing literature for several months now, and all have gleefully taken full advantage of every get-together as an opportunity to get their munch on. This time around, Sophie and Sunny are serving up Sandra an extra helping of wet Sapphic wonderment, because poor Sandra has been a bit bitchy as of late. In an effort to coax the cuntiness out of her, Sophie and Sunny have dedicated themselves to coddling her cunny and tickling her tush. Sensing the situation as serious, the two femme friends wasted no time at all in strapping on some fun sticks and dp'ing Sandra until she smiled. And thus concludes another juicy encounter. ♣

BREE'S ANAL INVASION

STARRING: Bree Olson, Kristina Rose, Rebeca Linares, Missy Stone, Andi Anderson, Mick Blue, Tommy Gunn, Evan Stone, Danny Mountain, James Deen
DIRECTED BY: Andre Madness
AVAILABLE FROM: Adam & Eve Pictures

CAMPY COMEDY / EXPLOSIVE ANAL

In this all-anal offering, Bree Olson and friends star in this quirky comedy as extraterrestrial ass whores who go in search of interplanetary peckers on planet Earth to satiate their budding buttholes. With an illustrious female cast, there isn't a dud in the bunch. When all of this comes together with diamond cutting cocks and the comedic vision of director Andre Madness, expect great things.

Living up to her contract worth, Bree Olson really hits it out of the park with Mick Blue. In the past, we've noticed that she seemed to forgo the sexual powerhouse she started off with and instead began to turn out mediocre performances. This is not the case here. This is Bree in top form, taking it up the ass like no other. Excellent anal!

Next, a celebrated swordsmen like James Deen certainly knows how to pull the best out of his leading ladies, although Andi Anderson doesn't need much coaxing. She's hot and wet from the start, at times attacking James with her hungry ass when she straddles his lap. He works her over well, showering her bum with cum to commemorate their extraterrestrial experience.

This gooey farewell makes for an excellent segue into watching Kristina Rose get her butt boinked by Tommy Gunn. Although his sexual style is far tamer than hers is, he still does a good job of nailing her ass to the wall. So much so, that I bet she left her scene with a little limp.

Now Evan Stone on the other hand has

no problem rocking the hell out of chicks and does so quite nicely with Rebeca Linares. Flipping her around his tool like a toy, Rebeca is stuffed and fucked at will in what turns out to be a standout scene.

Missy Stone also comes out in full force, churning out a heated performance that her fans have come to know and love. With a body so petite, one can only

imagine where Danny Mountain actually ended up!

SUMMARY: Bree leads a star-studded cast of anal heavyweights in what turns out to be a refreshingly quirky comedy that doesn't lose sight of the main goal. With five great scene and plenty of ripe ass on the line, this movie will get you off! ♣

IT'S A MOMMY THING! 5

STARRING: Shayla Laveaux, Raylene, Faye Reagan, Diamond Foxx, Sky Taylor, Camryn Cross, John Espizado, Anthony Rosano, James Deen, Seth Gamble, Patrick S. Knight

DIRECTED BY: Patrick Collins

AVAILABLE FROM: Elegant Angel

HOT MOMMAS / Hardcore Humping

Director Patrick Collins certainly knows how to put a porn movie together, and this little number proves the point quite well. Here, he has assembled a group of hot mommas whose penchant for nurturing cock is just as solid as their skill of whipping up a mean tuna casserole. Included here are five incredible scenes that boast a bevy of skilled snatch doing what they do best. The inclusion of Faye Reagan, a young tartlet to the mix of

seasoned players helps to make this one tasty dish that is best served hot!

This statement is clearly demonstrated with Shayla Leveaux, a woman with an incredible body that a woman of any age would die to have. Seth Gamble seems to agree as his cock grows to unusual lengths to reach her holes. Perhaps it's her tight pussy squeezing his mushroom tip, or the feel of her small feet stroking his bone. Whichever the case, this boy responds well to touch and proceeds to fuck Shayla up!

With a solid comeback record, Raylene goes for broke when fucking James Deen in the follow up sequence. He polishes her sweet pussy with scads of cock before flipping this grade-A Milf around to continue banging her butt. Obviously ass sex is what she loves most of all, as the stretching of her butthole turns this ho from mama to maniac in ten seconds flat.

Diamond Foxx also looks damn good

when taking Anthony Rosano out for a spin. It's when Faye Reagan, a beautiful redhead capped with puffy nipples, joins the duo that this encounter boils over with sexual heat. Together the girls work hard for Anthony's wang with Faye taking home top honors by sucking the cum from Diamond's bum. Hot!

Sky Taylor and Camryn Cross are also quite good, although they are not yet capable of the same erotic excellence as the mommy's that came before. They'll get there!

SUMMARY: In what is an excellent offering to represent this popular genre, director Patrick Collins hits the nail on the head by highlighting six incredible girls that stack up well against one another. Not only are the women top notch, but the sex itself is what any porn fan, not just Milf maniacs, are hoping to experience when watching an adult production. If only every mommy could be this hot! ♣

JERK OFF MATERIAL 4

STARRING: Sierra Skye, Vanessa Leon, Claire Robbins, Jessica Moore, Carolyn Reese, Delila Darling, Mark Zane, DSnoop, Steven French, Sean Michaels, Mike Hash, Hooks, Mike John, T. Von Swine, Arnold Schwarzenpecker,
DIRECTED BY: Mike John
AVAILABLE FROM:
 Mike John Productions

LACKLUSTER LADIES / MEDIOCRE SEX

With a series that is usually an instant slam-dunk, the fourth installment of this strokable production falls short of perfection and sadly misses the mark. Some mediocre starlets, the lack of raw energy, and the shabby settings are to blame. Although some scenes are good, the overall result is a movie that is not up

to par with the usual high standards that we've come to expect from this company.

Carolyn Reese begins the show just fine, although she never brings her performance above the simmering point. The POV style fuck has all the usual positions, mish and doggie, but the entire homespun appeal lacks the crisp intensity that locks the viewer in. The result is an average fuck session at best.

Vanessa Leon fairs off much better in her scene with DSnoop and Mark Zane. They begin by smacking her Latin ass and inspecting her holes. She comes to life once the wangs hit her mouth and delivers a decent blowjob. The positions that transpire from here are just fine, although she never really gets hammered in any measurable way.

Aside from her naturally red muff and huge floppy tits, Sierra Skye appears a bit sloppy in her performance with Sean Michaels. Sean does the best he can with her, but somehow gets lost

amongst her billowy curves. No matter, big girls need love too, right?

On the second disk, Jessica Moore starts out strong with a hot titty fucking session that nearly brings her cock du jour to the breaking point. The friction quickly fizzles once the actual sex ensues. Her dry pussy seals her fate and leaves us wanting more.

Sadly, our thirst is still not quenched when Delilah Darling is joined by Steven French. Their tan bodies fucking against a tan couch is uninspired and dull. The final scene with Claire Robbins isn't much better, as two out of shape bodies seldom makes for solid Jerk Off Material!

SUMMARY: Close but no cigar! This movie serves as a minor disappointment from an otherwise solid company, as it displays so-so girls and so-so sex. We'll just chalk this one up to bad luck. A little blip every now and again is forgivable, so long as it doesn't become commonplace. We still love your work Mike John! ♣

PORN FIDELITY 20

STARRING: Kelly Madison, Angelina Valentine, Rebeca Linares, McKenzie Lee, Nika Noir, Ryan Madison

DIRECTED BY: Kelly & Ryan Madison

AVAILABLE FROM: Kelly Madison Productions

STRONG SEX / SCRAMBLED THEME

Although most Kelly Madison productions can be quite predictable, cougar with huge cans fucks chicks with her husband; this particular installment really impresses and is surprisingly hardcore. Here, Kelly is not present in every scene, as is the usually the case. Instead, Ryan Madison, her partner in crime, steps it up to deliver crazy good sex that porn fans will certainly appreciate from this busty company.

Angelina Valentine begins the show on

an extremely high note. Naked, she hangs from her wrists in a rubber-covered room waiting to be fucked. Blindfolded and ravaged from behind, Ryan appears to show her whose boss. He fucks her silly and ties her to a bed where the fucking action continues with the help of mineral oil. What transpires is sensational, making it virtually impossible not to be turned on by this duo!

Keeping up with the overtly kinky displays, Ryan appears shrink-wrapped when presented to McKenzie Lee. She blows his horn and bites into the plastic before taking out a big knife to free him from his plastic restraints. She fucks him well and dangles her tits in front of his face when swirling her hips in cowgirl. She jerks his load across her face before being hung upside down to dry. We like this a lot!

Expecting more of the same intensity, the show turns tragically lame once Ryan, Kelly and Rebeca Linares appear

in dim-witted fairytale costumes. What the fuck? The trio then converges into hot three-way action that has Rebeca being utilized to her fullest potential, although the entire momentum of the dark sex has been tainted.

Nika Noir also joins the pack for some ball licking action, alongside Kelly. Together the girls do a great job of servicing Ryan, but again the initial theme is lost. In the future, it is better that Kelly Madison chooses a direction and sticks with it to the end!

SUMMARY: Although the sex is hot, the theme remains a scramble. What starts off kinky and ominous ends up becoming average and predictable. Had the darker theme continued, Kelly Madison could have gained a new legion of fans who may not have known that this top-heavy chick was capable of such harder levels of couple's sex. We can only hope that this plea is heard loud and clear for the next time. ♣

TEXASS TALES

STARRING: Alexis Texas, Dylan Ryder, Sophie Dee, Kristina Rose, Jayden Jaymes, Tommy Gunn, Kris Slater, Marco Banderas, Mr. Pete, Seth Gamble
DIRECTED BY: Jonathan Morgan
AVAILABLE FROM: Wicked Pictures

BIG BUTTS / STYLISH SEX

With what turns out to be a far departure from the usual comedic features we have come to expect from director Jonathan Morgan, he has turned in a new direction by offering us five, highly styled vignettes that showcase bangin' babes with bodacious booties. The result is a breath of fresh air from this primo company that makes this new product a worthy adversary for the scads of wall-to-wall releases that are flying off

the shelves.

Alexis Texas not only shines on the boxcover in a movie that pays homage to her humps, but shows that her star power deserves to shine as brightly as it does when she is joined by Mr. Pete. She begins by delivering a deliciously good-looking blowjob before getting her butt thumping in cowgirl position, her best display. Her obvious thirst and appetite for cum is infectious, while watching her eat it up is as good as it gets.

Kristina Rose, dressed as a punk rock ballerina, is equally as good as she talks a bunch of dirty shit to the camera. Her performance backs up every word she says, as she bounces her beautiful bum all over Marco Banderas' banger. He doesn't give her anything free, however. He makes her earn his seed before planting his crop across her. Hot!

When finished there, Jayden Jaymes continues the show looking a bit glam and Goth when styled in a fishnet getup.

She thoroughly rocks her scene with Seth Gamble and looks absolutely fuckable when perfectly sprawled out in a face-down-ass-up display.

The inclusion of Sophie Dee, who is usually thought of more as a gonzo girl, proves to be a lethal asset to this heavenly line-up. She gives a solid performance, although Kris Slater, her co-star, may have encountered a little bit more than he can chew.

Dylan Ryder is also quite hot, donning a pair of chaps that frame her delectable derriere perfectly!

SUMMARY: The hardcore sex and stylish sets of this production helps make this release quite lethal in the changing marketplace. The inclusion of some of the biggest names in the industry help with the overall appeal, although the sex contained inside speaks for itself. Now this is something Wicked we can really sink our teeth into. ♣

VINCE VOUYER'S POV JUNKIE

STARRING: Kristina Rose, Madison Parker, Vicki Chase, Codi Bryant, Eva Ellington, Bella Blaze, Kita Zen, Halie James, Summer, Nicole Nowak, Vince Vouyer

DIRECTED BY: Vince Vouyer

AVAILABLE FROM: Vince Vouyer Unleashed

INSATIABLE SLUTS / PREMIERE POV

Who better to lead the viewer on a POV odyssey than Vince Vouyer? With the uncanny ability to pull the very best out of the female starlets he casts, Vince not only demands excellence from his girls but often mixes established sluts with new porn hussies. This lethal combination of old and new proves, once again, to be the exact recipe for erotic excellence that strokers will love.

With ten featured females, Vince certainly has his work cut out for him.

Thankfully, he's got the super cock riding skills of mega whore Kristina Rose to help him along his journey. Not only does her bubble butt demand attention on the boxcover, but Kristina insists on being the premiere slut of this production when she begs for his cock. She later bends over backwards to take his heat up her hinny resulting in a foaming mouth finish. Intense!

The ultimate holiday gift is up next. It takes the form of Madison Parker, who is perfectly dressed in a Santa suit to mark the occasion. Like her predecessor, Madison also looks phenomenal when taking Vince up the ass in a series of positions. What is even better than that is her happy face displayed throughout and her eagerness to please our eyes with her first-rate skills that are second to none.

Next, bodacious brunette Bella Blaze is incredible! With natural 36DD's, Vince goes wild when parking his pecker between her melons. She bubbles and

spits, looking her best in missionary position when those fuckers bounce wildly on her chest.

Black beauty Codi Bryant is another unbelievable whore that looks great when getting her chocolate and vanilla swirl on. Here, Vince's white cock entering her black ass makes for a sensational visual. Her bubbling butt-hole finish is as dirty as it gets.

The other featured babes also do their part to make this production stand out, although they fall a little short of reaching the same acclaim as the rest.

SUMMARY: Vince Vouyer fucks them all and fucks them well in this POV enriched production that is essential for a healthy body, mind, and cock. With ten babes to choose from, there is certainly a girl to satiate every appetite. With plenty of anal and enough hardcore pussy pounding to make two complete movies, Vince Vouyer has you smothered and covered. ♣

Fingerbanging is a fine art, and an underappreciated one at that. When a lady lies back and lets her man's fingers do the wanking, he will have her pussy talking in no time. And what will it say? O it will be gushing forth with praise, believe you me. Ever since little Clarissa was introduced to finer points of being fucked via feelers by her meaty-pawed pal Timo, she's been hole-y hooked on his hands. Timo is so deft with his digits and Clarissa so toe curlingly enjoys the sensation of them reaching way up inside her juice box and wriggling around that the two of them rarely move past the preliminary pawing and he opts to just finish her off manually with his manos. Timo, to his credit, is one of those rare types of fellows who gets off on getting his girl to goo, and so he's satiated simply by seeing her squirm and squish atop his palm. For being so petite, Clarissa's delicate flower can take quite a wide parting of petals beneath the gentle pressure of Timo's massive mitts. What's the secret? While he coats his hams in her honey, he takes special care to flick her bean with his thumb. That's the magic combo that makes Miss Clarissa explode. A girl's gotta love a man who likes to work her over with his hands! ♡

JERSEY SHORE PARODY

SLUTS, HAIR GEL, AND CUM!

Starring: Sara Sloane, Kagney Linn Karter, Ann Marie Rios, Kristina Rose, Lexi Love, Lisa Ann, Mellanie Monroe, James Deen, Mike Pacino, Anthony Rosano, Tommy Gunn, Mick Blue, Mark Wood

Directed By: Brian Bangs & Spock Buckton

Available From: Zero Tolerance

With what might be the ultimate display of self-righteous narcissism in the reality television craze, a group of dimwitted guidos from Jersey Shore has turned idiocy, outrageous behavior, and spiky hair, suitable for defense against

rabid animals, into one of America's guiltiest pleasures. Every week, millions of people tune in to watch their erroneous house humps, boardwalk blowups, and infamous bitch slaps unfold.

In an effort to jump on the porn parody bandwagon, directors Brian Bangs and Spock Buckton have joined forces with Zero Tolerance for what might be one of the funniest parodies of the year with *Official Jersey Shore Parody*, a movie that promises to take this scandalous crew to a completely new level. With plenty of sausage and scads of creamy cannolis on the line, are you pre-

pared to take the plunge? Once you get passed the tanorexic bodies and all the Italian meatballs, you'll be glad you did.

The story unfolds right on cue when Anthony Rosano and Mike Pacino are the first houseguests to arrive at the summer rental along the Jersey Shore. Their ridiculous round of fist pounding and abs touching is momentarily interrupted the moment Lexi Love strolls in. Looking dynamite with diamond necklaces and skintight jeans poured around her apple bottom, the men can't help but take notice. Although she teases both dudes, she eye fucks the hell out of Mike Pacino and confesses that she'd

love to suck him off.

Never one to disappoint the ladies, Mike pulls Lexi into the closest bedroom and commands her into perfect cock sucking position by snapping his fingers. Like a good whore, Lexi pulls down Mike's pants as she falls into place. She runs her hands up and down the length of his prick, burying the tip of her tongue in his dick hole before he shouts, "Yo, this cock ain't gonna suck itself!" From here, he grabs her by the ears and power jabs his hips into her face until her mouth is rimmed with his dark pubes. With plenty of gagging and enough spit to make things slippery, Lexi delivers a powerful blowjob that renders her meaty cunt a dripping wet mess. "Fuck yeah, I like things dirty!" she reveals.

Although Mike fucks her pussy good in a few hot positions, it becomes quite evident that both these fuckers have

anal on the brain when neither can keep their fingers out of her bunghole. "Come on and fuck my ass!" Lexi eventually mouths when rolling over onto her stomach to take his sword up her sphincter. Once in place, he fucks her so hard that she actually tears tiny holes into the cheap mattress when his anal pounding becomes too intense for her to handle. It's hot!

After stuffing her pussy, ass, and mouth with more meat, Mike pulls out and sprays his mascarpone cheese all over some designer luggage that is sitting nearby. "Hells yeah, this is gonna be one bangin' vacation!" he spits, while walking out of the room.

James Deen, playing the role of Pauly D, walks in the bedroom and is infuriated to find that his luggage has just been jizzed on. Although pissed off, he's got a bigger fish to fry the moment Sara Sloane strolls in with her cheesy

boyfriend. Apparently James and Sara's characters have hooked up in the past, so seeing her in the arms of this dweeb has got him all worked up.

In what becomes the ultimate act of revenge, James locks the boyfriend in the bathroom and has him listen in while he fucks his girl. "Awww, Pauly, you're such a damned stud!" Sara smiles, yanking off her clothes and buckling over in a perfect doggie spread to suck on James' joint. With an expert mouth that looks even lovelier when stuffed with salami, Sara delivers one of the best BJ's featured. Swirling her tongue over his snake and sinking his balls to the back of her throat, James has no choice but to hold on to the bed rails and keep from popping too soon. "Yeah baby, make dos fuckas shine!" James shouts.

"You make my pussy so gawd-damned wet Pauly," Sara confides, while

spreading herself open like a wishbone to take a vaginal pounding in missionary position. Soon her ankles are resting over his shoulders and her pussy lips are red like two slices of ripe watermelon.

Although incredible to watch, things really heat up the moment Sara jumps on in cowgirl and gets her big ass rockin' and rollin'. "Yeah girly, make that booty bounce!" Bangs and Buckton happily say under their breath as Sara continues to rock her scene to completion.

Later as the story progresses, Mike Pacino and Rocco Reed, playing the infamous role of 'The Situation', decide to take their act to the local bar in hopes of scoring a little summer lovin'. After getting some cunt catching lessons by Tommy Gunn, the legendary skirt chaser of Jersey Shore, Rocco and Mike set their sights on Kagney Linn Karter. Looking like a total slut, Kagney proves

to be easy prey the moment they shove their muscles in her face and make her coo. "It'd be a crime if we didn't do some pussy crushin' with you tonight," Mike smooth talks. Kagney gives the boys her rendition of the thumbs up by pulling her tits out! "I'm in the mood for some fun," she says, as she unzips both cocks from their jeans and gets to work. With both sausages slapping across her forehead and cheeks, Kagney seemingly has a blast wrestling the peckers into her mouth. She slobbers across both jocks and does double duty when tickling their balls with her paws. "You like that?" she questions, as both sets of nuts tighten in her grip.

"Time to try out dat pussy," Rocco huffs while positioning himself behind Kagney to get his first sampling of her in doggie. Kagney, the perfect multitasking slut, bends over and spreads her

legs wide to give Rocco easier access while continuing to wrap her lips around Mike's dick.

"Damn, you gotta try dis shit!" Rocco eventually mouths, as the boys switch places and Mike has his turn in the hot seat. This time, Mike sets Kagney on his lap and chews on her spongy nipples while she rides his pony from tip to base. After both men use her holes in a few other positions and polish the bar with her juice box, the men pull out and quench her thirst with some of their homemade gelato. Nice!

After no love or respect has been given to Snookums, played by Kristina Rose, during the entire show, she calls her mother (Lisa Ann) to come help her out. In an attempt to do anything to make her baby happy, Lisa Ann demonstrates some tough love tactics on James Deen and makes him play

naughty with her daughter. Begrudgingly, James has no choice but to agree to the task after having his ears twisted into knots.

Happy to receive some hodge, Kristina spreads her legs open and knee locks James into place between her thighs. With audible pussy sucking sounds that fill the room, James polishes the hell out of Kristina's rose. Once finished, he is handsomely rewarded with an award-worthy blowjob that leaves the room silent with our tongues wagging. "You see, I'm great at this," Kristina moans, as James silences her conceit by stepping his balls over her tongue. "Pipe down there Shorty!" he continues.

Once both groins are spit shined and wet, James rolls Kristina onto her side and lays down some pipe. With incredibly loud fucking that echoes off the walls, Mick Blue, the landlord, comes in to see what all the commotion is

about. Seeing Kristina filleted out like a flounder across the sofa, Mick effortlessly sniffs out an open hole and joins in the festivities. With an ass being plugged by Mick and a pussy being porked by James, Kristina gets the ultimate in afternoon delight as both men tear through her holes like Christmas wrapping paper. "This is one tight ass!" Mick yelps, once the sheer power of her pucker practically snaps his cock in two.

Their scene ends right about here, although Mick later has a bout with Ann Marie Rios, a tenant of his who fails to show up for work at his T-shirt shop in order to pay for her rent. Eager to sit at home and chill, Ann Marie drives a very hard bargain by flashing Mick her sweet ass and striking up a deal. Obviously hungrier for pussy than rent money, Mick devours Ann Marie from top to bottom in an effort to get his money's worth. She looks amazing when taking all he has to give, and even throws in

some expert moves of her own. The result is one of the most energized romps of the parody that Ann Marie fans will certainly enjoy seeing. Tommy Gunn also busts a move on Mellanie Monroe to round out the full-blown experience.

With energized fucking from start to finish and a ridiculous storyline that is right on par with the original show, fans will have a hard time deciding between the genuine article and porn's awesome rendition. Either way you slice it, directors Brian Bangs and Spock Buckton have you smothered and covered. Check it out with a slice of pizza and a roll of paper towels. Let's just say, both will be necessary in order to get the full Jersey Shore experience.... ♣

PLEASING HIM PLEASES HER

When I meet the right guy, I'm ready to do anything he wants. Some people might say that I'm too willing to please. But if the act of pleasing a man pleases *me*, what's wrong with it?

I was thinking about this yesterday, Saturday, when I went downstairs to get breakfast for my new boyfriend Brad. We had been in bed all morning in his apartment, and it was wonderful, and he fucked me so good, and I had that pleasant wrung-out but happy feeling that always comes when my body has been satisfied over and over.

Brad said he was in the mood for a great coffee from his favorite deli down at the corner, and wanted one of their terrific Danish sweet rolls too. I knew what he meant. That deli did something magical with their coffee, so I volunteered to run down and get it for both of us.

Naked I went into the bathroom and brushed my teeth, combed my hair. Then I pulled on a black body

suit, flip flops, and threw on my green net beach top that comes down to the middle of my hips. That was enough to be decent.

I went down to the deli. The counterman looked at me like he knew what I'd been doing all morning—and probably all night! Maybe I should have put panties on underneath the body suit, but it was black and I figured nobody could see anything. Still, my pussy and ass were bare against the stretchy material and it made me feel exposed. I figured the green net top was enough to camouflage it, though.

Another customer in the deli was looking at me, especially at my toes! I keep my toenails a bright red. I guess I had that "I've just been fucked look" to that customer too. Although maybe he was wondering if somebody had been sucking on my toes!

With the coffees and Danish on a little cardboard tray, I walked back down the sidewalk so I could cross the street to Brad's apartment. The breeze was nice on my body

MIA & VICTORIA

Dishy dykes Mia and Victoria sure are pretty in pink. Whenever they get together they always get right to it, both believing hole-heartedly in the motto "time is honey." These ladies are of the type that love looking lovely and make a special point of always wearing lacy lingerie for themselves to feast their eyes upon before they commence ripping it off and ravishing each other. Their luscious lesbo frolics can hardly be called formulaic, but each of these beauties has her own favorite filthy thing that she likes to do to the other that will always happen each and every time they hook up, cum hell or high water. Victoria prefers to palm Mia's perfect, pert titties before laying her down and licking her crack from front to back. Mia goes mad for Victoria's ripe round rump and could spend hours just squeezing it and tongue-tickling her starfish. Both dig the good strong buzz of a vibe just-packed with fresh batteries and they take turns sinking it into each other's sticky slots and draining it of its charge in the most dizzily delightful manner possible. When these muff mavens feel that enough multiples have been meted out, they pause for a few moments to take a breather, sip some water and change the batteries in their box baton before picking right back where they got off.

through the flimsy clothes I was wearing. My bare feet felt cool in the flip-flops, and I wiggled my red-polished toes as I stood there patiently waiting for the green light. The Danish rolls looked so good in the tray, and I could smell the coffee through the paper cups.

When I got back upstairs, I had the feeling that I'd seemed naked down there on the street, that I'd been fooling myself wearing such tight and skimpy clothes. Brad said, "How many guys hit on you downstairs?" I laughed and said I hurried the whole way, that I couldn't wait to get back to his cock.

I gave him his coffee and roll and peeled out of my clothes so I was naked on the bed with him again.

Brad picked up my body suit and sniffed it, saying, "It smells like you were well-fucked...by me!" I grabbed it and tossed it across the room and took his coffee out of his hand. "Do you want to drink coffee or fuck me right now?"

"Wanna fuck," he said. "Lemme have a bite of the Danish first."

He took his bite, drank some coffee, and I did likewise. Then he laid on top of me and his cock was already hard. It pushed against the opening of my pussy, and then he thrust it in. I let out a sharp breath. His cock felt so good. I'd missed it when I went downstairs.

"Next time I want you to go get the coffee naked. Lady Godiva goes to the deli."

I laughed and squeezed his dick with my muscles.

"We're going to need more coffee, because if we fuck now it's going to be cold before we get back to it."

"Then just fuck me fast," I said, lifting up my legs and wrapping them around his butt.

Brad did me deep and hard. He looked down at me and braced himself on his arms and plowed back and forth. I found it really hot and sexy, his need to let loose in me quick so he could return to his coffee. His face got more and more serious as he got closer to cumming. I was wet, but this was about him. I didn't need to cum, I just wanted his morning load in me.

Suddenly he grunted, stiffened, and I could feel his dick squirting inside. I love that feeling. I held his balls as he drained them.

"Wow, I needed that," Brad said, rolling off me and onto the bed. "Now could you hand me my coffee, Lisa? Thanks, hon."

I'd pleased him again, and was happy for it! **"No Request Denied"**

LOVE ME, NOT MY PANTYHOSE!

I like to dress very girly. I like everything from pretty dresses to beautiful handbags to flirty shoes. I especially like colorful pantyhose. My legs look very shapely in the right pair of hosiery. But I don't like to mix sex and pantyhose!

At least, that was my philosophy until

I met Ben. Although he's not much older than I am, he's a brainy guy who teaches English in high school. We met at a sculpture gallery opening. I liked his sense of humor and his knowledge of books and classical music and art.

Things progressed and soon we were serious. I don't like to rush into sex, but when I finally decided to do it with Ben, it was wonderful. He's a considerate and attentive guy and he's got a nice body.

But then one day Ben wanted me to wear a pair of my favorite pantyhose in bed, "just for variety." I sweetly but firmly told him no. When he asked me why, I got angry. "I just want to be loved for who I am, not my clothes! Especially not my hosiery!"

Ben dropped the subject but it came up a few weeks later and this time I really got mad. We were in bed and I had just finished giving him oral sex

and believe me, I'm not shy about taking his cream down my throat. I mean, I'm not a prude. It was simply that pantyhose was a sore issue.

"But Melanie," he said, "your pantyhose are as much a part of you as the color of your hair. You've *made* them a part of you. It's not perverse for me to want to lay next to you and feel their textures, see their colors under my hands and against my cock."

"Maybe you want to *wear* them!" I huffed.

"Not at all," he said, kissing me gently on my cheek and caressing my breasts as he did. He kissed my nipples and then my throat and then my lips. "There's a famous poem by the Irish writer Yeats, something I was just reading to my students, that states it perfectly. A girl was upset because she didn't want to be loved for her yellow hair, and

the poet wrote, 'That only God, my dear/ Could love you for yourself alone/ And not your yellow hair.'"

"Yeats was probably just another horny old guy," I said, looking at Ben's mouth and kissing it. I felt his fingers move down my tummy to my pussy. I was pretty wet. I pushed his fingers deep inside me.

"Yeah, he was a lusty codger," Ben said, "and he would have been the first

to admit it. But he made a good point in that poem..."

"So only God will love me just for me, and not my pantyhose and tights?"

"I don't mean it to sound so cosmic, Mel, all I want is the pleasure of..."

"...my legs and feet in pantyhose next to your perverted cock?"

Ben laughed. "If you want to put it that way, okay. Just think about it."

Ben was so decent, and didn't seem creepy, that in a few weeks I was willing to give it a whirl. Of course, I'd looked up the poem, called "For Anne Gregory," on the Internet and it made me realize that maybe I was being as silly as the girl referred to. After all, Ben didn't ask to wear my hosiery! He just wanted to bring something into the bedroom that he loved about me, my girliness, my fashion sense.

So one night I surprised him. Not with an especially colorful pair of pantyhose, but something that had a real nice texture, and also something that I could sacrifice if things got hot and heavy. And they did. It was all new to me, but I started to enjoy the feeling of Ben's hands and penis against my body while I wore the hose. I never realized how much the hose sensitized my body during sex. Ben rubbed himself against my pantyhose-covered bottom and I liked that a lot. In fact, it turned me on so much I told him I wanted him to cum that way. He was more than happy to. He humped my covered butt while feeling up my naked top. He sure came a lot from doing that! At last I had learned the erotic potential of being half-nude and half-covered. Later we took my pantyhose down to my knees and then Ben slipped in between them, so he was kind of "land-locked" into me by the hose. And I came a lot myself from this pantyhose play.

I guess Mr. Yeats was right, and it seems a girl can pick up some good sex tips from the classics!

Nora's the type of girl who will always go all out in order to please her man. The way she sees it is, hey, a happy guy won't stray and so she does whatever it takes to keep things fresh and fun as far as fucking goes. Today she's opted to tart herself up in a French maid outfit and do a little dusting to see if she can coax Craig into doing her dirty. As it turned out, it didn't take Nora long to convince him to have a hump. First she folded at the waist to fellate him and hoovered until she had sucked him swollen. As soon as she was certain Craig's cum pump was primed and ready for action she spread her thighs wide apart and insisted he use it to push apart her meat curtains. This Craig did with gusto, mightily pounding Nora's pussy from behind and making her gasp. Nora indicated that she wanted to get some work done on the floor so Craig laid her down and really lit into her with the assistance of some added leverage. Nora cooed appreciatively as she arched up to meet each of his thrusts, her legs locked around his waist and her pussy spasming. He popped out just in time to paste her face with a large load of ooh la la. ♣

LUCY BELL & NIKITA

No one knows quite how to ring Lucy's bell like her dirty, blonde friend Nikita, and no one knows how rub Nikita's nub raw like her randy gal pal Lucy. These two hottie mamas have been sampling each other's tartar sauce for ages, and each one of them has cum to crave the sweet and satisfying taste of the secretions of the other's red snapper. After some preliminary smooching on all sets of lips—tons of tongue included—these lezzie lovebirds are ready to take things up a notch. How? By stuffing things up inside each other's snatch, natch. Well-practiced at juicing Nikita's clam, Lucy deftly dips a crimson colored vibe right in and sinks it just deep enough so the tip tickles her "Geel!" spot. After recovering from an outrageous eye-rolling O, Nikita returns the favor by poking Lucy in the pink with a rosy plastic giggle stick. And my goodness but does Lucy love it! She wriggles and moans and moistly begs for more which Nikita is all too delighted to dish out. Then it's Lucy's time to let go a gusher, cumming convulsively with pussy juice running down both thighs as Nikita laps it up for sustenance. Then the two lie still, sticky limbs entwined, until they muster up the energy to mash mounds again. Their gash mashing goes on this way for hours! ♣

CARMALITA

Carmalita was cheerleader back in high school and she still has that same bubbly attitude as she moves on in life. One thing she loves doing is meeting new guys and can't wait until later in the year when she's legal to hit the club scene in the big city. "I would love to meet a guy from Wall Street who is sophisticated and knows how to please a woman in the bedroom," she told us. "So far I've done okay with boys, but I really want a man who knows how to make me climax like I've heard so much about!"

SAPPHIRE "I love to be seen," Sapphire confessed. "I like when people watch. I get really turned on knowing that someone is getting off by seeing me. Sometimes the thought gets me so turned on that I can't control myself and will do anything my guy asks me to. I'm thinking about making a real movie or website so that the whole world can see me getting off. I don't know if I can do it, but it's definitely a fantasy of mine right now!"

ROSIE You would think that horny guys enamored with her beauty are constantly approaching Rosie, but it's just the opposite. Maybe they're intimidated by this gorgeous blonde's looks? So when one guy had the guts to say hello and try to pick-up Rosie, she was a little taken aback and didn't know how to respond. "He came up to me and asked me to kiss his napkin so he had something to remember me by. I thought it was so sweet, so I did it. Then after I left my lip prints on the paper, he told me he was going to go home and jerk off into the napkin! I couldn't believe it! I didn't know how to respond, except to just laugh!"

ANNETTE "I love messy sex!" Annette declared. "We have plastic sheets and love to bring liquids and food into the bedroom play. I guess it's a fetish of ours. The other night we got really messy. My husband poured a whole bottle of baby oil all over my body. I was sliding all over and rubbing myself on him. I actually got off from that without sticking anything inside of myself. It was so hot, so messy and I couldn't get enough of it!"

HELEN "I know you're not going to like hearing this, but I don't really like to have sex that much!" Helen admitted. "I have a pretty tight little pussy and it can be uncomfortable at times. Not that I'm a virgin or prude or anything like that, but I really can't fit much inside. I've taken up the art of the tease and giving head. I like to finger fuck myself while I'm sucking on a big hard cock. My pussy might not be able to take much dick, but my mouth certainly can!"

TRINITY

Trinity couldn't wait to become legal and jump in front of a camera and shake what she's got. Who were we to argue? Trinity confessed that while she likes to get really dirty in the sack, her favorite thing is still kissing. Deep kissing, with tongues all over the place. Sloppy kissing, with the spit dripping on body parts. Long kissing, until you get so turned on that you just have to go completely wild on each other and satisfy every burning desire you have. Now that's foreplay!

MY SEX LIFE!

"PORN FANATIC!"

As a journalist for an adult website, I often find myself in the company of very interesting people. Last week I had the privilege of not only interviewing Alex, the hottest porn director on the circuit, but got the opportunity to fuck him as well. When I got this new assignment, I was beside myself. The thought of being face to face with Alex had my panties wet, my clit plump, and nipples sprouting. I raced to his mansion, the sight of our interview, wearing a tight business suit, fishnet stockings, and no panties. I looked hot! As soon as Alex opened the door, he gasped in a sexy Italian accent, "I remember you!"

Without even getting a question in, Alex smiled and lunged in my direction, grabbing my face in his hands for a long, wet kiss. Soon his tongue was working into my pussy like a hungry animal. I rolled my legs back to my chest and watched his lips wrap and suck around my meaty clit. I started to cum all over his mouth. Alex loved my playfulness and eventually rolled me over onto my back so he could fuck my ass. He stuck his fingers into my pussy, while he continued to fuck me from behind. His style was exactly what I needed to keep my asshole cumming repeatedly. From here, he spun me head over heels in pile driver position and ran his pecker deep down my pussy. As his cock hit me just right, my pussy started to explode like a Roman candle, yanking his sperm blast onto my crotch in the process. Turning me right side up he smiled, "Renee, that was the best interview of my life!" **"Juicy Journalist" - California ♣**
